MEMORANDUM

To: Personnel Committee
From: Sabrina Jones-Roberts, 2-1-1 Kern Call Center Program Administrator
Date: May 10, 2023
Subject: Agenda Item 4(b): Reclassification of the 2-1-1 Kern Call Center Positions and Updated Organizational Chart – Action Item

Under the Community Development Division, the 2-1-1 Call Center Program is a 24/7 information and referral service that provides residents with comprehensive information and links to community health and human services at no cost. The 2-1-1 Kern has a database of 1,500 social service agencies that are available to the public through the 2-1-1 Kern Online Resource Directory at www.211KernCounty.org. The program has over 15 years of experience in providing and linking community members to vital services, and currently serves multiple communities in the Central Valley including Kings, Tulare, Stanislaus, Fresno, and Madera through the United Way partnerships. Annually, the program manages approximately 130,000 calls system-wide and has a braided funding model with an operating budget of approximately $1.6 million.

In our assessment of the program, there continues to be major delays in call handling and wait times which is a direct outcome of a lack of an appropriate staffing model of trained, skilled individuals. The primary call-handling staff, the Informational and Referral (I&R) Specialist, position and job description has not undergone a revision or update since 2017. The program experienced a sizable departure of staff at one-time, specifically in the fall/winter season FY 2022, which included management departures.

In FY 2020, the overall turnover percentage was 36.28% and 39.68% in FY 2022, with an average tenure of departed staff at 1.46 years, compared to the agency’s rate at 18%. Table 1- Turnover Rate FY 2020 – 2023.

As outlined above, the program has experienced significant changes to staffing retention and recruitment, which can be attributed to the scope of work of the position. This includes the challenge of limited-to-no growth professionally and financially mainly due to the non-competitive rate of pay and the single job description. The proposed changes below would allow a pathway for enhanced skill development and upward mobility within the program and agency.

Currently, the average employment period (tenure) of the 2-1-1 staff is 2.64 years whereas the organizational tenure is eight (8) years. This highlights the need for growth and development of staff.

</table>

**Fiscal Impact and Timeframe**
The proposed reorganization would result in a fiscal increase to program funds of approximately $46,990.00 for the duration of the fiscal year and beyond. The funds available have been budgeted and will not require budget amendments. Once the proposal is approved (May 2023), the division and program will immediately implement the changes.

Both the reclassification of the job descriptions and fiscal impact have been reviewed and approved by the Human Resources and Finance department, respectively.

**Strategic Plan and Development**
As part of the 2021-25 Strategic Plan, specifically under Goal 4: CAPK seeks to be an employer of choice and attract and retain a high-quality workforce to achieve the organization’s desired results, and as part of following objectives, the proposal supports staff development, growth, and retention:

- **Objective 4.1: Enhance leadership capacity, effectiveness, and sustainability.**
  - 4.1.1 Establish a process of workforce development for succession and knowledge transfer plans and oversee implementation; (a) Analyze department metrics (i.e., length of service, knowledge gaps, areas of interest) to identify the necessary skills sets for each position; (b) Identify or create evidence-based workforce development strategies to address needs of the department, and (c) Incorporate development opportunities as part of the employee review process.

- **Objective 4.2: Increase employee engagement, morale, and retention.**
  - 4.2.1 Conduct an internal and external equity analysis to evaluate the labor market and fiscal impacts; (b) b) Complete development and consolidation of revised job descriptions.

**Recommendation:**
Staff recommends the Personnel Committee approve the Reclassification of the 2-1-1 Kern Call Center positions and update of the Organizational Chart.
